

**Hidden Hills Community
Gates and Patrol Services Committee
Agenda**

July 8, 2019

6:30 P.M.

Board Room

Call to Order and Roll Call

Approve May 13, 2019 minutes

New Business

1. New existing camera quote from Semaphoric. Assist with turnaround vehicles.
2. Kim Gagnier suggests paving the pedestrian walkway to and from Round Meadow School, positioned between the two 3-rail fences by the Round Meadow Gate.
3. Fee for rental/loaner transponders.
4. Lift and Uber driver conduct issues.
5. Replacement of remaining gate arm motors and all transponder readers.

Discussion Item

- 1) Calling Down to the gate for visitors – Multiple offenders, daily.
- 2) Mountain View, The Oaks, and Bell Canyon – Do not have fee schedules. They charge for the cost of the arm only. Mountain View is \$286 for a replacement arm.
- 3) Trolley Liability – Trolley assumes responsibility. They can accommodate foldable wheelchairs and strollers. They have no lift so they cannot transport motorized wheelchairs.
- 4) Semaphoric will be proposing 10 additional perimeter cameras to the board next week. Proposal will be in on Wednesday by the end of the day.

Reporting by Debbie

- 1) Revised Generator Log.
- 2) Visitors giving only a last name when arriving at the gate. The community has a variety of similarly spelled name, which leads to call ups to the wrong property and visitors being turned away. Visitor should be prepared to provide the address of where they are going.

- 3) Gate Information to be posted in the Round Up regularly.
- 4) Carolyn made a decision to allow Food Truck entry on Sunday for The Smith Residence. Good Job Carolyn 😊
