VIA Zoom Conferencing

The Theater Committee meeting was attended by Karleen Basch, Farnaz Fardad-Finn, Board Liaison Patrick Finn, Marika Foley, Kedra Gottlieb, Courtney Newman, Carrie Casper-Levis and Marsha Weidman.

The August meeting minutes - Tamika made a motion to approve the July meeting minutes and Carrie seconded the motion.

Jaxx- We discussed the upcoming JAXX in-person program. The show will be Charlie Brown. It's the perfect show because it works with a very small cast. Rehearsals will be held on the Basketball courts at the community center with the use of existing pop-up tents that the HHCA owns. We will confirm with the office that there is lighting on the courts. Committee members are happy the program is moving forward after the Board granted permission to hold in-person rehearsals.

The meeting was adjourned at 10:50 am.
