Farnaz moved January meeting minutes be approved, Marika, second the motion. The motion passed.

Farnaz gave the report on JAXX Annie Spring production. Flyer has been created with all details and responsibilities of those participating including testing dates. The class will be limited to 12 HH residents, still under the 14 permitted by county guidelines. Farnaz asked Jackie to please send the flyer by email to the community. Jackie agreed.

The committee requested that the tents and chairs be set up for each rehearsal. Jackie will arrange for that to be done.

Patrick stated that as long as we are following county guidelines, the Board will likely be ok.

Karleen suggested that we begin thinking about Summer BootCamp options. The committee agreed.

The meeting was adjourned at 11:15am.
