The committee welcomed Cary Brackett as the new Hidden Hills Association Manager, as Shannon Moore has resigned. Karleen discussed Tal Fox and her workshops, and there were no sign-ups for her summer adult workshops nor kids musical theatre workshops. Kedra stated she would contact her and notify that there no sign ups at all. Farnaz addressed that the Jaxx summer workshops had only three sign-ups as well, and believed that many people are traveling because the Covid restrictions have been lifted. and did not want to commit to anything at this time. There was a motion to cancel summer workshops due to lack of enrollment. All members agreed.

"Annie," the first Jaxx musical was successful, with 34 audience members, on May 8th, 2021, and first show inside the theatre in over a year since Covid. Farnaz brought up the fall show, and the committee looked at dates for November. It was agreed by all that the best dates would be November 12th and 13th, 2021.

Tamika brought the subject that there are background stage sets in the storage unit dating way back from Gloria's Theatre, and members of the committee needed to go through which sets/props needed to be discarded and other items kept. David Stanley offered to help and it was agreed upon that over the summer, a few members of the committee would go through storage unit.

David Stanley addressed the committee in regards to his upcoming "Valentine Musicale" and that he needed support with this production, post Covid, in promoting it and getting ticket sales. Tamika offered to post information on FB, as Karleen and Farnaz agreed to send information electronically. Debbie Klein offered to set up a booth at the Hidden Hills Market and sell tickets for the production. David sated that there would be food trucks and beverages/snacks at both performances. He thanked the committee for their help and volunteerism.
