

**Hidden Hills Community Association
Theater Committee Meeting
Monday September 13, 2021**

Meeting called to order at 10:10AM

Approval of July minutes-Debbie Klein made a motion to approve the minutes and Stacey Rosen 2nd the motion.

The committee started the discussion of beginning in person meetings going forward.

Hidden Hills Fiesta float for the theatre. Stacey Rosen will be the contact person for those interested in participating in creating a float.

Jaxx-there have been zero sign ups through the office. There have been some sign ups on the Jaxx website.

Karleen proposed the idea of possibly finding a way to COVID test on site to help alleviate added stress to the kids and parents regarding testing protocols. Debbie is going to look into this possible solution further.

Karleen has received feedback from anonymous parents that they are a bit frustrated with the process, masks, testing etc... However, CDC guidelines do require everyone regardless of vaccination status to wear masks indoors. Tamika brought up how Jaxx summer conservatory wore clear masks.

Jaxx Adult Sign ups-So far, there have not been any sign ups in the office. Tamika is trying to promote it more. She has reported some people are opposed because they do not want to step on Palmer's toes as they work with her for the Valentine Musicale.

Palmer proposal for secondary theatre company-Carrie expressed a lack of clarity in the proposal as far as age groups are concerned. Both Tamika and Farnaz reminded the committee of issues in the past with Palmer. Farnaz brought up that back in February 2020 Jaxx was creating an Introduction to Theatre "workshop" of sorts that perhaps we can revisit.

The next meeting is October 4th at 10AM.

Meeting was adjourned at 11:26AM.
