

# Hidden Hills Community Gates and Patrol Services Committee Agenda

January 11, 2020

6:30 P.M.

Online Zoom meeting

Call to Order and Roll Call

Approve November Minutes

## New Business

- 1) Long Valley gate move status.
- 2) Round Meadow Turn Around Construction Vehicles. Items to discuss:
  - a. Do we have any data on the number of vehicles that come through the RM gate by hour?
  - b. Do we have any data on any "safety" incidents? (What problem are we trying to solve?)
  - c. What about the impact on other residents on Long Valley and Spring Valley?
    - Attach pictures from Barbara.
    - Barbara's proposal.
- 3) Saturday No Work List – Rule for allowing workers at the property that are unrelated to the approved work. (i.e., power washing, window cleaning, car washers) – Joe
- 4) From the board meeting: review party rules and see if rules for vendors need to be put in place. From the Kanye Halloween decorating. In other words, should there be rules about how early vendors can start setting up, how many cars they can have in the parkways, what hours they should be limited to, etc.
- 5) Written notification from both the city and architectural committee advising of new construction with owner and contractors names.
- 6) Gate rules communication from owner to tenant. See IR Harris – Tenant.

## Reporting Items

Status of Long Valley Gate Move – Timetable

Burbank Fiber Project is complete

Covered 6 Holiday Thank you
