Theater Committee Minutes
January 3, 2022**

Meeting called to order at 10:10am

In attendance: Karleen, Tamika, Stacey, Erica and Jackie

Poster for Halo – Jackie will work with Halo on printing

Gate committee does not want tape on any of the guard gates

Halo – will need to include an advertisement in the next Round Up for their shows – using ages 7-17

Need to work with Halo on a start date – graduation might be a problem for some for tech week.
Jaxx's next show is Aladdin

Schools get out June 10

Jaxx and their Round Meadow show – what's the status and follow up?

Tickets for OUR Jaxx show - \$12 sold in the HOA office. Need to set limit and have a seating chart due to Covid concerns. Best to have "pods" in the audience or space out every other row.

14 kids total but 3 dropouts

9 family's total

Residents that need to pay Jaxx for dropping out - that is the responsibility of Jaxx, not HOA

Thoughts on next show – parents need to pay everything UP FRONT/at one time. It also needs to say "no refunds"

VOTE – everyone approves to pay up front AND show-up at the audition

Can committee members be there to oversee it?

Jaxx will also invoice \$90 per child and ½ ticket sales go back to HOA

Jaxx – is there an intermission? How long is it? 15-20 minutes?

Kids will eat a snack

How long is the show?

Guests will not be offered food or drinks due to covid concerns

Jaxx will work the box office

Halo - \$325/residents pay it all at once

Party – at this moment, a cupcake celebration is best. No one will stay for an official party due to covid concerns.
