UPCOMING BOARD ELECTOINS CALL FOR NOMINATIONS

The 2021 Annual Meeting isn't until December 14, but recent changes in state law require us to start the election process early.

Some important points:

- There are 3 Board positions up for election this year. All 3 incumbents are eligible to run again, since term limits are no longer legal.
- The requirement to serve on a committee prior to running for or being elected to the Board is no longer valid. Any Member who meets the qualifications can run. The qualifications include being a Member for at least 1 year; being current in the payment of assessments (or current in the payment plan); not being a co-owner with someone else currently serving or running for the Board; and not having a criminal conviction that would jeopardize the Association's ability to obtain a fidelity bond.
- The nominating period will end on September 23. You may send your nominations in early, however. If you nominate someone other than yourself, we will verify with the nominee that they are willing to run.

Please contact gm@hiddenhills.org if you are interested in nominating yourself or another qualified Member.

Thanks!

PLEASE PICK UP YOUR DOG POOP!

Please may we remind residents to always pick up after their dogs.

Thank you in advance for your co-operation.

NO WORK PERMITTED ON LABOR DAY

No work permitted on Independence Day,
Monday September 6, 2021.

Labor Day is listed in the Gate Operations Manual and in the City's Municipal Code as days in which workers are not permitted to enter Hidden Hills.

NO MOTOR VEHICLES ON TRAIL

For safety, please take note of this: There have been many reports of danger risks because of forbidden bicycle, scooter and motorized vehicle-riders on our trails. As noted by well-posted signs, our trails are exclusively for the use of pedestrians and equestrians.

PLEASE, as is documented in our HH Rules and Regulations (Section 3.2), share with your families and particularly your children this pertinent part of our Rules:

"Operating any motorized vehicle, including but not limited to motorcycles, automobiles, trucks, go-karts, go-peds, golf carts, gas-powered scooters, on the bridle trails is . . . strictly prohibited unless expressly permitted by the Association . . . Riding a bicycle on any bridle trail is prohibited in all instances."

Thank You for your anticipated cooperation. Be safe.

HIDDEN HILLS COMMUNITY LITTLE FREE LIBRARY/BOOK EXCHANGE IN FRONT OF THE COMMUNITY CENTER

It's almost Spring, which makes it a great time to sit out side with a good book! We are fortunate to now have our own book exchange!

So if you have any books you would like to donate, please drop them off in the box located at the Community Center near the fence-line.

On the other hand, if you need a good book to read, please feel free to take one but please do not leave your books on the ground!

We hope to be constantly rotating the box with books for all ages, and encourage the community to make dropping off old books a regular habit so the selection is ever-changing for your neighbors.

ANNUAL BOARD OF DIRECTORS ELECTION MEETING DATE DECEMBER 14, 2021

Members wishing to run for the Board or nominate another Member to run must fill out a **Candidacy Form** on **page 7**.

This form is also being mailed (required by law) to all Members by the Inspector of Elections, Correct Elect, LLP. It must be returned to Correct Elect at the address on the form no later than September 23, 2021. The Candidate List and general notice of the meeting will be mailed out by mid-October, with ballots going out by November 12, 2021.

Finally, the Annual Meeting and election of directors will be held December 14, 2021 at 6:30 p.m.

There are 3 Board positions up for election this year. All 3 incumbents are eligible to run again. We will most likely be scheduling a Candidate's Night – more information about that will be forthcoming.

If you have any questions about the election or the process, please contact Cary Brackett at gm@hiddenhills.org.

HIDDEN HILLS LOST AND FOUND

Please come by the community center office and claim your missing items.

The office has a large amount of lost and found items left over from the summer.

These items look to be from the summer camp and some adult items left over from the summer BBQ's.

A WARM THANK YOU !

We, the Senior Citizens of our fair City would like to thank all who planned and helped put together this fabulous night of our own. The food was great, the "entertainment" fun, and it was so nice to visit and chat with each other, without any **LOUD** music to shout over !

We would **LOVE** to have this event planned the same way, every season, four times a year... just for us !

Some of us, (myself included) have been here for over 45 years, and can still remember "the good ol' days" when we all baked and cooked our specialty's for our "potluck" lunches and dinners. Those events were great, but now, we deserve to sit back and relax, and be served and entertained!

So, a **BIG THANKS** to all put this event together...

Peggi Seigel, Tamika Watkins, and Jackie Castillo, to name just a few... and we look forward to seeing all of you at the next one .

Andrea Ashley

HIDDEN HILLS OLYMPIAN ASHLEE BOND

I'm checking in to let you know about all the exciting news regarding Ashlee :). As I'm sure you know we moved into Hidden Hills at the end of 1986 and have been here ever since. As I'm also sure you know Ashlee's entire riding career happened at our farm in Hidden Hills.

I wanted to share the amazing news that Tuesday night Ashlee finished 3rd out of 73 riders in the Olympic Equestrian Showjumping qualifying event. Then on Wednesday she competed in the finals and placed 11th overall. She beat all of the American riders.

What I'm not sure you know though is Ashlee rides for Israel because Steve was born there. Additionally, Ashlee made history for Israel in that this is the first Olympics where an Israeli athlete has ever competed in any equestrian event. She's not only the first Israeli athlete to compete but the first woman which is awesome as well.

I've included some press links below:

<https://olympics.com/tokyo-2020/olympic-games/en/results/equestrian/athlete-profile-n1325944-bond-ashlee.htm>

I look forward to hearing from you as I think our horse loving community would love to hear about a resident who's entire career was built from Hidden Hills.

HIDDEN HILLS VALENTINE MUSICALE PROCEEDS SUPPORTS HEALTHCARE HEROES EVENT

The Hidden Hills Valentine Musicale raised **\$13,031.00** for our local healthcare heroes. The funds were donated to Connecting a Caring Community to sponsor an event to benefit local fire department, Sheriffs, EMT's, Doctors and Nurses who have supported the community during these challenging times.

Here are some photographs of the July Healthcare Heroes Event that the Musicale Charity proceeds supported. It was so awesome to be able to experience the results of our hard work. The nurses, doctors, essential health workers, local fire departments, and police were so appreciative of Hidden Hills generosity. We truly live in a wonderful community.

Thank you all for your help!

BE ALERT: SPIDERS

Folks are uncovering some of their garden furniture and finding large spiders. These are The California tarantula is a very docile native spider. Tarantulas are not poisonous to humans, though like all spiders they have venom that is effective on small arthropods for subduing their prey. While female tarantulas can live for up to 25 years, the average lifespan of the male is only seven or eight years. breeding season is in August so you may start seeing these guys out and about looking for mates. If one is in your home **HIGHLY UNLIKELY** just scoop him up and place him outside. If they are around your furniture please leave them be and they will leave soon enough. They dont stick around and will not harm you or your pets.

Garden Orb Spiders - These Spiders weave **LARGE** round webs in your trees to and are not harmful, they will **NOT** go inside your home. They eat Mosquitos and other flying insects. Residents could see more orb weavers this year than they have in years.

That's because spiders - including orb weavers - have more little bugs to eat this year because the region had a lot of rain, which created more vegetation and insects overall. They are fascinating to watch and the webs are really large and most web in trees higher up but I for one have walked face first in to a few last year so please don't kill these guys just leave them be and they will do their thing and leave when the season ends.

LET'S GET THESE PARTIES STARTED!

Just place the order online and the truck will send you a text with how long it will be. Let the truck know when you get there and your order will be ready and paid for :)

The trucks will accept orders for time slots 24 hours in advance. Each truck will limit how many orders they can take in advance per hour. **NO WALK UPS.**

Seussical

Now one of the most performed shows in America, **Seussical** is a fantastical, magical, musical extravaganza! Tony winners, Lynn Ahrens and Stephen Flaherty (*Lucky Stiff, My Favorite Year, Once on This Island, Ragtime*), have lovingly brought to life all of our favorite Dr. Seuss characters, including Horton the Elephant, The Cat in the Hat, Gertrude McFuzz, lazy Mayzie and a little boy with a big imagination – Jojo. The colorful characters transport us from the Jungle of Nool to the Circus McGurkus to the invisible world of the Whos.

THE PROGRAM
