## RECEPTION FOR GLORIA WATTS

After 35 years of bringing theatre to the children of Hidden Hills with the Hidden Hills Junior Players Gloria Watts will be wrapping up her time here with a final production this summer - The Witches of OZ. In cooperation with the HHCA and the Theatre Committee, a reception in her honor will take place after each performance on July 20th and July 21st.

Many of you have asked how to best thank her for her years of service. The HHCA is accepting checks made out to Gloria Watts and holding them for her until her reception. We hope you can join us on the 20th or 21st to thank Gloria and share some memories! You can stop by the office with your gift at any time or even write a separate card of thanks. We'll present it to her on the 20th.

Hope to see you there!

Nathalie Blossom and Pamela Boothe Co-chairs of the Theatre Committee

## PARKWAY REPAIRS

Now that the rainy season is over, the Association will begin the annual task of repairing ruts in the parkways caused by rain. However, ruts caused by residents overwatering and/or ruts from runoff from driveways and walkways are the residents' responsibility. Please take a look at your parkway and if you have any eroded ruts coming from your lawn, planter beds or paved surfaces, please have these repaired before you receive a violation notice. If you need assistance figuring out how to stop your irrigation or surface water from eroding the parkways, please contact Ron Heston and he can meet you onsite to discuss options.

## UPDATE ON THURSDAY BBQ EVENTS

## GLOBAL WARMING ALERT (OR NOT)

While we all may not agree on the source of global warming, one thing that is clear is that Hidden Hills is getting lots of rain. That means lots of grass and brush growth and an exceptionally busy year for our fun loving and very hungry goats and sheep. Don't miss your

chance to reserve a time slot for all our natural brush clearance before it's too late! Also our goats are spoiled and 9 out of 10 surveyed prefer Hidden Hills grass over Calabasas grass. Go Figure!

## SUMMER EQUESTRIAN TIPS

As the weather heats up, here are a few tips to keep your equine friend happy, safe and comfortable:

- » **FANS** – did you know that the No. 1 cause of barn fires in the summer is inexpensive box fans that are designed for indoor use? Because the motors in these fans are not sealed, dust and dirt can get inside, making them overheat and ultimately cause a fire. If you have fans in your barn, ensure that they are designed for outdoor use and that the motors are sealed.
- » **WATER** – place water troughs in the shade. When they are in the sun, they may heat up causing horses to refuse to drink, which can potentially cause colic. Adding electrolytes to daily supplements can also encourage horses to drink and stay well hydrated in the heat.
- » **SHELTER** – make sure that horses have a shady place to stand, especially during the middle of the day.
- » **FLIES** - are rampant in the summer. There are several things you can do to help. Notably, keep your barn clean, and pick up manure several times per day and place it in covered containers. Use fly repellents and sheets as needed, and also consider supplements that are designed to make your horses undesirable to flies

HAPPY RIDING!

## TWO PROPOSED RULE CHANGES TO BE CONSIDERED

You will no doubt recall that last year the Board passed a rule change prohibiting certain work on Saturdays. The first go-round included a restriction on gardeners and other noisy work to the hours of 8 a.m. to 1 p.m. However, the overwhelming majority of comments from residents opposed such a restriction, so the Board did not restrict gardeners at that time. The subject has come up again and the Board will once again be considering a rule change restricting gardeners and tree trimmers to the hours of 8 a.m. to 4 p.m. on Saturdays.

The Board will also be considering adding Christmas Eve to the list of “no work” holidays.

Following are the proposed rule changes. Additions are bold and underlined. Deletions are lined out. These changes will be voted on by the Board at the July 16, 2019 meeting.

Please email [shannon@hiddenhills.org](mailto:shannon@hiddenhills.org) with any comments or attend the meeting to discuss with the Board.

Proposed change to Rules & Regulations:

**5.4. Construction Schedule.** Approved construction is limited to Monday through Friday, 7:00 a.m. to 8:00 p.m. and Saturday, 8:00 a.m. to 8:00 p.m., except that gardeners and tree trimmers are limited to the hours of 8:00 a.m. to 4:00 p.m. on Saturdays. No construction is permitted on Sundays or holidays, and no construction is permitted on Major Remodels or new homes on Saturdays. For purposes of gate entry, “construction” includes, without limitation, gardening, pool service, and other interior and exterior workers. Admitting workers on a Sunday or holiday, permitting gardeners and tree trimmers to remain in the community past 4:00 p.m. on a Saturday, or admitting workers on a Saturday to properties with new homes or Major Remodels underway, constitutes a violation of this provision.

Proposed change to Gate Operations Manual:

**6.5 Tradespeople.** Tradespeople, including contractors, gardeners, pool service, vendors, etc., have limited hours for conducting work or business within the community.

a. The hours of entry for Tradespeople are limited to the following:

Monday through Friday	*7:00 am to 8:00 pm
Saturdays - EXCEPT FOR PROPERTIES APPROVED FOR WORK BY THE ARCHITECTURAL COMMITTEE	8:00 a.m. to 8:00 p.m.
Sundays and Holidays	No entry permitted except for emergencies (plumbing, electrical, etc.) where authorization for entry is approved by a Gate Committee member or Association Board Member
Round Meadow Gate	No entry permitted at the Round Meadow Gate until 9:00 a.m. when school is in session
PROPERTIES APPROVED FOR WORK BY THE ARCHITECTURAL COMMITTEE	*7:00 a.m. to 8:00 p.m., Monday through Friday only. A list of Properties with Architectural Committee approval will be provided to the Gate Operations Officers. Except in emergencies, all visitors to those Properties will be denied.

d. Admittance on Saturdays. Only limited construction-related activity is permitted in the community on Saturdays. No admittance will be granted for any vehicle to access property where the owner is engaged in a work that requires or has received Architectural Committee approval. A list of such properties will be provided to the Gate Operations Officers each Friday, and no admittance will be permitted by the Officers to those properties on Saturdays. Additionally, no large commercial vehicles or heavy pieces of equipment will be admitted on Saturdays, nor may any such equipment be used in the community on Saturdays. Finally, gardeners and tree trimmers will only be admitted between the hours of 8:00 a.m. and 4:00 p.m.

b. Holidays. The following Holidays are observed

- (i) New Year's Day
- (ii) Martin Luther King Day
- (iii) President's Day
- (iv) Memorial Day
- (v) Independence Day
- (vi) Labor Day
- (vii) Veteran's Day
- (viii) Thanksgiving Day
- (ix) The day after Thanksgiving
- (x) Christmas Eve**
- (xi) Christmas Day
